

The 12th
Korea, Japan, Taiwan
Cytotechnology
Joint Meeting

March. 8. 2025

Ewha Womans University Seoul Hospital
Seoul, Korea

Information message

It is our great pleasure and honor to invite you to the 12th Korea/ Japan/ Taiwan Cytotechnology Joint Meeting, which will be held in Seoul, Korea, on March 8, 2025. This meeting is sponsored by the Korean Specialist in Cytology (KSCT), the Japanese Society of Cytotechnologists (JSC), and the Taiwan Society of Clinical Cytology (TSCC).

The joint meeting provides an excellent opportunity for exchanging ideas and experiences from your everyday practices as a cytotechnologist among our three nations. It is hoped that this meeting will carry on and enhance the development of cytotechnology across Asia. We would love for you to actively take part in this meeting and are open to any scientific presentations, including case reports. Please contact Ju Won Kang (cspotato@naver.com) promptly for further details.
